WORD OF THANKS

To all our staff, teachers, volunteers, Board of Directors, Board of Advisors and Honorary Board, we thank you for supporting Anselmo Academy's work with your continuous involvement, hard work and generous donations.

We are so grateful to our Music families and students for their demonstrated acts of generosity and kindness, patience and resilience. We understand the tremendous responsibility and challenges that Online Learning placed on parents, guardians, and students as they had to create space, routine, and support for learning at home and we applaud our musicians for their determination and effort to carry on with their music education.

It is your trust and generosity that enables us to continue bringing music education to our wonderful students, and we are deeply grateful for your partnership.

If you have any questions about our work, we would love to hear from you. Please email us at replytovera@gmail.com.
